## INSTRUCTIONS

1. Questions in this booklet are arranged subject-wise.
2. Each question has four options. Choose the one correct or most appropriate answer.
3. Practise in timed sets of 50 questions in 50 minutes, and mark your answers on a separate sheet.
4. The answer key and explanations are at the end of the booklet. Check them only after you finish a set.

Name: _____ Batch: _____

## ANDHRA PRADESH

**1.** Andhra Pradesh released a further instalment under Annadata Sukhibhava in January 2026. The scheme supplements which central scheme?

(a) PM Fasal Bima Yojana
(b) PM Krishi Sinchayee Yojana
(c) PM Kisan Maan Dhan Yojana
(d) PM-KISAN

**2.** Andhra Pradesh expanded JALAJ livelihood centres along its river basins. JALAJ is an initiative of the National Mission for Clean Ganga together with:

(a) the Indian Council of Agricultural Research
(b) the Central Inland Fisheries Research Institute
(c) the National Institute of Oceanography
(d) the Wildlife Institute of India

**3.** Phase I of the Veligonda project in Andhra Pradesh entered its final stage. The project lifts water from:

(a) the Polavaram barrage on the Godavari
(b) the Somasila reservoir on the Penna
(c) the Nagarjuna Sagar reservoir on the Krishna
(d) the Srisailam reservoir on the Krishna

**4.** Andhra Pradesh eased norms to improve the export efficiency of its farmed shrimp. The species that dominates this trade is:

(a) Penaeus monodon
(b) Macrobrachium rosenbergii
(c) Litopenaeus vannamei
(d) Fenneropenaeus indicus

**5.** The Drone Corporation of Andhra Pradesh announced an expansion of agricultural drone spraying. Civil drone operations in India are regulated by the DGCA under:

(a) the Unmanned Aircraft System Rules, 2021
(b) the Aircraft Rules, 1937
(c) the Drone Policy, 2018
(d) the Drone Rules, 2021

**6.** Andhra Pradesh integrated analytics into its Meekosam grievance portal. The corresponding grievance platform of the Union Government is:

(a) e-Samiksha
(b) PRAGATI
(c) CPGRAMS
(d) Samarth

**7.** The Andhra Pradesh Water Resources Department prepared the State's first water budget in January 2026. A water budget of this kind sets out:

(a) the capital outlay sanctioned for irrigation projects in the financial year
(b) the share of Krishna and Godavari waters awarded to the State by tribunals
(c) the subsidy payable on micro-irrigation equipment to farmers
(d) the water available against the demand expected in the coming water year

**8.** Andhra Pradesh launched what was described as India's first artificial-intelligence-integrated Command and Control Centre. Such a centre is best described as:

(a) a data recovery site that mirrors State government databases
(b) a training academy for government officers in artificial intelligence
(c) a single facility that fuses departmental data feeds for real-time monitoring and response
(d) a cloud facility that hosts the State's citizen service applications

**9.** Central assistance was released in January 2026 for works in Amaravati. The statutory authority that governs the capital region is:

(a) the Amaravati Metropolitan Region Development Authority
(b) the Andhra Pradesh Industrial Infrastructure Corporation
(c) the Andhra Pradesh Township and Infrastructure Development Corporation
(d) the Capital Region Development Authority

**10.** An allocation was cleared in January 2026 for the Polavaram project. Consider the following statements:

1. The Andhra Pradesh Reorganisation Act, 2014 declared Polavaram a national project.
2. Disputes over the project's backwater effect on upstream States fall to the Godavari Water Disputes Tribunal.

Which of the statements given above is/are correct?

(a) 1 only
(b) 2 only
(c) Both 1 and 2
(d) Neither 1 nor 2

**11.** Andhra Pradesh introduced a policy to promote direct-seeded rice. Consider the following statements:

1. The method requires the field to be puddled and kept flooded before the seed is sown.
2. It lowers methane emissions from paddy fields.

Which of the statements given above is/are correct?

(a) 1 only
(b) 2 only
(c) Both 1 and 2
(d) Neither 1 nor 2

**12.** Discoms in Andhra Pradesh began the second phase of smart metering. Consider the following statements:

1. Smart prepaid metering for distribution companies is funded under the Deendayal Upadhyaya Gram Jyoti Yojana.
2. Aggregate technical and commercial losses measure only the electricity lost in transmission and distribution lines.

Which of the statements given above is/are correct?

(a) 1 only
(b) 2 only
(c) Both 1 and 2
(d) Neither 1 nor 2

**13.** Andhra Pradesh formalised the Deepam-2 initiative across the State. Consider the following statements:

1. It provides the gas connection itself and does not extend to refills.
2. Pradhan Mantri Ujjwala Yojana provides the connection and the security deposit to women of poor households.
3. Subsidy on domestic cooking gas is paid to the dealer rather than to the consumer's bank account.

How many of the statements given above are correct?

(a) Only one
(b) Only two
(c) All three
(d) None

**14.** NITI Aayog released the Export Preparedness Index 2024 in January 2026. Consider the following statements:

1. Andhra Pradesh stood fifth among the large States.
2. The index assesses States on four pillars, one of which is export performance.
3. NITI Aayog stated that the change of method makes this edition not comparable with the previous one.

How many of the statements given above are correct?

(a) Only one
(b) Only two
(c) All three
(d) None

**15.** Andhra Pradesh launched a drive to restore mangroves along its coast. Consider the following statements:

1. The State has the second largest mangrove cover in the country.
2. Its mangrove cover rose between the 2019 and the 2023 assessments even as the national total fell.
3. The Coringa sanctuary, the State's principal mangrove tract, lies in the estuary of the Godavari.

How many of the statements given above are correct?

(a) Only one
(b) Only two
(c) All three
(d) None

**16.** Villages in Andhra Pradesh were declared ODF Plus Model in January 2026. Consider the following statements:

1. ODF Plus requires a village to hold its open-defecation-free status and also manage solid and liquid waste.
2. The declaration is made under the second phase of the Swachh Bharat Mission Grameen.
3. Household toilets alone do not take a village beyond the basic open-defecation-free status.

How many of the statements given above are correct?

(a) Only one
(b) Only two
(c) All three
(d) None

**17.** Andhra Pradesh cleared land allotment policy for a node of the Visakhapatnam-Chennai Industrial Corridor. Consider the following statements:

1. The corridor is the first phase of the Delhi-Mumbai Industrial Corridor.
2. The corridor lies wholly within Tamil Nadu.
3. The corridor is implemented as a single investment region without intermediate nodes.

How many of the statements given above are correct?

(a) Only one
(b) Only two
(c) All three
(d) None
